LOCAL PARAGRAPHS

Constable Shelton went to Irma and Jarrow Wednesday on business.

Mr. Connor has rented the R. S. Woods residence on Fifth avenue.

A draft consisting of 48 of the Royal Engineers passed through here in a special car this week en route for the east. Jarry Wilcox and Walter Foster of Wainwright were in the party. There was a good crowd at the depot to bid the boys farewell.

"Snapper" Garrison, inspector of pool rooms, was in town Wednesday and inspected the local pool rooms.

Fancy China at half price at Fraser and Company.

Mr. M. M. Cook, of Irma is putting on a dance in the Elite Theatre next Monday evening after the show. A special orchestra will be engaged and splendid music is promised.

The Great War Veterans' dance held on the 26th was a decided success. A good crowd turned out and the financial end showed a good surplus.

Mr. L. J. Burr, who has been in charge of the Station restaurant for three or four years, is leaving the end of the week to take up new duties at Prince Rupert. His familiar figure and pleasant manner will be missed from behind the counter, as he has made many friends during his stay here.

Arthur Better of Fabyan was in town Wednesday.

S. E. Bowerman has purchased the stock of Magnus and Ross, and has rented the store and is now open for business.

H. E. Simpson, of May and Simpson barriesters was in Irma on business on Wednesday.

If Wainwright proposes to celebrate Dominion day it is about time that a meeting of those interested was called and steps taken to make arrangements. We can conceive on reason why a celebration should not be held this year as usual.

Rev. Swenerton is in Edmonton this week attending the Methodist conference.

Rev. Mr. Maddocks of Edgerton was in town Monday.

Mayor Greer has a gang of men clearing brush on his farm east of the town which will greatly improve his holding.

Seeding is about over for this year so let every farmer do his utmost to break up new land for next year's crop. Increased acreage is the cry in every farming community in Canada. Food will win the war as much as soldiers.

Miss McAllister is going to Edmonton during the school holidays and will read examination papers for the department of Education.

Mr. Arthur Hain, of Heath purchased a Ford on Monday last.

Don't forget the sale of stray cattle at 3 p.m. Wednesday June 5th at 3 p.m.

The Misses Eda of Edmonton and Miss Munson of Fort Saskatchewan are visiting Mrs. Heinrich for a few days.

J. B. Holden, a candidate in the last Dominion election for the constituency of Victoria was in town attending the sale of school lands. Mr. Holden was the first local member for this constituency. He expressed himself as delighted with the progress of our town since his last visit and says it is one of the busiest and cleanest towns in the province.

V. E. Graham was in town Tuesday and Wednesday last.

G. H. Beaudry left for Edmonton on Sunday's train.

Mrs. A. E. Mills returned home on Sunday greatly improved in health.

I. P. Jones of the New York Life Insurance company, returned from a very pleasant trip to Seattle and other points. While there he was a guest of the company.

Dad Cameron, the well known conductor on the G.R.P. passed through on Sunday's train. Dad is well known to the pioneers of Wainwright, as he was in charge of the construction of the steel first reached here in 1908.

Mr. Kilpatrick, car western superintendent of the G. T. P., was attached to No. 32 en route east on Tuesday last.

Special reduced prices on ladies' silk and crepe de chene dresses, silk sweaters and silk singhams dresses Wednesday afternoon, June 5. Fraser and Company.

Don't forget the meeting in the Council Chamber on June 5 from 7.30 to 8.30 p.m. in the interest of forming a Girl Guide corps in town.

All women interested in girls' work are especially requested to attend.

The Gift Edge U. F. W. A. will hold their next meeting at Mrs. Stuart's house, the first Wednesday in June at 7.30. Members kindly be present.

On Thursday evening there will be a dance at Battleville school house given for the purpose of a sendoff to the boys who have recently enlisted for overseas.

Mrs. Dawson, who has been seriously ill for some time, the result of an operation for appendicitis in Edmonton, is gradually recovering her strength.

What might have been a serious accident occurred on the farm of Mr. A. F. Kohl, when his horses ran away with the seed drill into a barbed wire fence, but fortunately no damage was done, outside of a broken fence.

CHAUTAUQUE COMMITTEE APPOINTED

At a meeting of the Chautauque guarantors the following committees were appointed.

Chairman, Matthew Greer.

Treasurer, W. E. Simpson.

Joint secretaries—P. C. Haymes and W. S. Clark.

Rural advertising—H. P. May, O. J. Elder, C. W. Turner, J. A. Little, A. E. Mills.

Local advertising—E. E. Chandler, D. O. Brown, W. E. Washburn, F. W. Fahl.

Finance and tickets—J. L. Gerow, W. E. Simpson, E. N. C. Tanguay.

General committee, M. Greer, P. C. Haymes, W. S. Clark, W. E. Simpson, H. P. May, E. E. Chandler, and J. L. Gerow.

Tickets are here and may be obtained from any member of the committees at \$2.50 for the entire week. Two shows daily. Get the tickets early as only a limited amount will be sold at this price and admission by ordinary tickets for each show will cost about \$6.00.

Owing to the large number who are planning on hearing Mr. H. W. Wood, president of the Alberta United Farmers association, it may be necessary to limit season tickets to one only for this event.

All farmers will have an opportunity of meeting Mr. Wood and an opportunity of discussing the agricultural problems of the day discussed.

Everybody cooperating—June 21, 22, 23, 24, 25, 26, 27—will be a big week for our town and district.

Make arrangements to meet at Chautauque in Wainwright on June 21st to 27th. Everybody will be there and you come with the crowd.

NEW PARTNERSHIP IN LAW FIRM HERE

Mr. H. V. Fieldhouse, barrister, has taken into partnership Mr. Herbert C. Boyd, M.A., LL.B., and the business will be carried on under the name of Fieldhouse and Boyd, with offices at Wainwright, Edgerton and Chauvin. Mr. Boyd was previously in partnership with Mr. Alex. Smith, K. C., and ex-caldorman J. M. MacDonald, in Edmonton, and was for some years assistant city solicitor for the city of Edmonton. Mr. Boyd is a Scotch barrister, having formerly practiced at Inverness, Scotland, where he was also joint editor of "The Inverness Record," published under the auspices of the University of Aberdeen.

Mr. Boyd is in charge of the Edgerton office of the new firm.

Prominent Lecturer at Chautauque

Dr. William Rader Comes on Third Day.

Peter Clark McFarland, in a notable article in Collier's Weekly, has named Dr. William Rader as one of the twelve great speakers of the United States. Dr. Rader is to lecture on the "The Making of a Man," a great inspirational message which is

DR. WM. RADER.

By many critics to be his greatest platform effort. This splendid lecture is characterized by its simplicity, naturalness and force.

Dr. Rader is the author of several well-known books and has made a niche for himself in the newspaper and literary world. He is a writer for the San Francisco Bulletin and is closely identified with Detective Magazine. He is also a member of the San Francisco Press Club.

CLEVELAND TRACTOR TO THE RESCUE

"A friend in need is a friend indeed," holds true in a good many instances. This week we have the misfortune to have our source of power go wrong, and it looked like the readers of this paper would do without their copy for some days to come. However, Mr. Bud Simmerman when explained the situation, solved the problem immediately, and took up work on his shed which required a Cleveland tractor. It was but the work of only a few minutes until the catnip was fending its way to our office, and connected with a long belt running through the window were able to proceed "as usual." The tractor certainly has remarkable abilities to turn around in the shortest space possible and furnished the power we needed exceedingly.

We are now holding demonstrations of this admirable tractor in the rear.

GIRLS IN TRAINING ASK OTHERS TO COME IN

The members of the Mizpah Circle wish to make it known that the Canadian Girls in Training program is being followed in their class and invite other girls, who wish to take part in this training to join with them.

The regular meeting is held every Saturday evening at the home of Mrs. W. E. Washburn, fourth avenue at 8 o'clock.

The physical part of the program is taken at the school every Monday afternoon at four o'clock. Those girls wishing to take up only the physical part are invited to attend these drills.

HIGHEST BID WAS \$50 PER ACRE--AVERAGE WAS \$15.00

Last Monday saw a large crowd in town attending the sale of school lands which was held in the Elite theatre.

Land buyers were present from Irma, Provost, Ribstone, Edgerton, Chauvin and other districts. It is estimated that in the neighborhood of four hundred were present. Some of the choicest parcels of land were included in the sale and bidding was very brisk at times. Land in this locality has been in great demand and every one looking for a place to locate a home in a good farming community was on hand.

The sale was in charge of government officials and was sold by auction. The list comprised all the school lands in townships 42-45, ranges 1 and 2; and townships 42-45 in ranges 1 and 2; and townships 42-45 in ranges 1 and 2.

Some of this land lay in the splendid farming district to the east of Wainwright and in this locality

brought the highest prices. The list contained in all 257 parcels, of which 116 were sold. The average price paid per acre was \$15. which made a total of somewhere near 18,000 acres at around \$280,000 for the lot.

Amongst the highest bidders was Colonel Rodden who paid \$50 an acre for a quarter and \$40 an acre for another quarter adjoining it. Another parcel brought \$2500 an acre. It was bought by Alfred Williams of Ribstone, who purchased this piece for pasture and hay land purposes as it lies on the Ribstone creek. The Ribstone Municipality also got a portion for municipal purposes. The town of Wainwright purchased the property now used as the fair grounds.

Jack Patterson of Greenheads got the north half of 29-45 at \$30 per acre. The Greenhead school is situated on this property.

BANKING HOURS WILL CHANGE ON JUNE FIRST

The members of the Canadian Bankers' association have agreed that banking hours for the public after June 1st will be from 9.30 a.m. to 2.30 p.m. on ordinary week days and from 9.30 to 12 on Saturdays. This means that the public are requested to do their banking one half hour earlier than at present. This change has been brought about by the calling in of bank clerks for military service.

Charles Elliot of Sandy Lake, owns a mare which has her twenty-first calf at foot this spring. Of the twenty calves she has raised, twenty are living today. The mare is twenty-five years old and the last calf is apparently as strong and vigorous as any of the others. This is an exceptional record for a mare.

SUPPLY OF SPRUCE FOR AEROPLANES ADEQUATE

Victoria, B. C., May 28.—Within two months there will be secured in the province of British Columbia every month sufficient spruce logs for the manufacture of aeroplanes to meet the maximum demand of the Imperial authorities. By the end of July the difference between log recovery six months ago will be approximately 30 to one.

SAILORS' WEEK TO BE OBSERVED IN ALBERTA FROM JUNE 3RD

Arrangements are being made throughout the Province of Alberta for a Sailors' Week, commencing on the King's birthday, June 3rd, and ending on the 8th with a flag day. During the week a general appeal will be made to all citizens, men, women and children to contribute some thing towards assisting the Navy League of Canada in caring for the widows and orphans of the men of the navy and merchant service as well.

The committee in charge of arrangements hope to raise at least \$150,000 in Alberta.

Very little to date has been done in Alberta for the sailors, particularly those of the Merchant Service. The Navy League of England and the Overseas Dominions have undertaken to care for the widows, children and dependents of the seamen who have lost their lives in defence of the Empire, and will endeavor to educate their children and give them a good start in life. The league is also looking after Sailors' homes, schools, infirmities, asylums, missions, etc. The Navy League of Canada is arranging

to erect a building at Halifax, N. S., for the sailors at a cost of \$100,000, and has also contributed \$50,000 to assist the homes on the Pacific coast along the great lakes, besides sending \$50,000 per month to the various institutions in England. Already the league has forwarded \$100,000—\$250,000 for the navy men and \$250,000 for the merchant service. There is a greater work to be done and money is urgently needed.

The Sailors of the navy saved the Empire. It is largely through the work of the navy that Canada's Britishness in England. Already the navy today. It is largely through the work of the navy that the farmers of this country are enabled to obtain the present price for their wheat. Without the navy no food would come to the Atlantic our boys in France could not be fed, and no transports, either from Canada or the United States could be forwarded.

Anyone wishing to contribute can forward to the Editor of this paper, who will see that all amounts are sent to headquarters Alberta Division of the navy league.

SOME METHODS OF WEANING PORKERS

Weaning time is the most critical period of the hog's life. The approved practice is to wean at about three weeks. Teach the litter to eat three weeks before weaning, using a crib or cross which excludes the sow, or a separate pen. Feed in a trough, preferably, middlings, with skim-milk. With middlings it is not unobtainable, finely ground sifted oats or heat. Feed only small quantities, at first and avoid having decomposed or stale food left over. After weaning, add shorts gradually up to equal parts and from the second to the third month add barley or corn as one-third the total meal ration. First and last avoid over-feeding with its consequent train of evils.

Within the last year at the Central Experimental farm, experiment and subsequent practice has indicated a system whereby weaning is simplified and the bad results of careless feeding practically eliminated. Instead of "hand-weaning" or feeding the weaning pigs milk and meal in a trough, a small self-feeder is substituted in the creep, skin-milk being fed in a separate trough. Finely ground oats and shorts, and later ground elevator screenings with a small proportion of ground corn, if available are placed in the feeder. Thus the little pig feeds himself when and as much as he sees fit, in the simplest and most economical manner, and does not eat much fibrous material which he must consume willy-nilly where fed a slop, and incidentally accustoms himself gradually to skim-milk. Except in cases of early litters, the little pigs are given access to outdoor runs at all times from two to three weeks of age. Excellent growth is shown the pigs developing clean long and thrifty, with no evidence of "fickness," pudgehness or lack of energy. Absolutely no evidence of indigestion or scouring has been seen, and in one instance where a dozen litters were fed a central trough, the percentage of "culls" was remarkably low. When finally removed from the sow, pigs so weaned, particularly where they are to be sold, subsequently give minimum evidence of the check in growth, usually incidental to weaning in a greater or lesser degree. In short, while the experienced hog-man can hand-wean his pigs with maximum results the farmer lacking experience or depending upon ever changing attendants, is likely to run into difficulties. The method described besides reducing labor apparently removes the danger of irregular and over feeding. Both method and results might be described as automatic.

In the foregoing method, skim-milk plays an important part. Where this or other milk product is unobtainable, experimental evidence would show that solid pigs may be raised by following this method and supplying tankage, blood-meal, fish meal, or some similar animal product in a separate compartment of the feeder, not mixed with the regular meal. Pigs so fed, have shown only slightly inferior in quality to skin-milk fed lots but the cost to produce would seem to be considerably increased.

HOME-MADE CANDY IS

PROHIBITED BY BOARD

It is now illegal to make home-made candy from cane sugar for private consumption. People may not have more than 15 days' supply of sugar in their homes, if they live within two miles of a licensed dealer. If living more than two miles but less than five miles away, they may have 30 days' supply. If living more than five miles and less than ten miles, they may have up to 60 days supply. Farmers and all others living at a distance of ten miles or more from a licensed dealer may store sugar for 120 days' supply only. Wholesale and retail dealers, and licensed manufacturers, using sugar in their products, may not have more than sufficient sugar for the trade for 45 days. Excess sugar must be returned at once to the dealer from whom it was purchased, who will pay for it in good condition, at the market price or the price at which it was sold, whichever be the lower.

MILITARY SERVICE ACT, 1917

PUBLIC NOTICE is hereby given that, by the effect of the regulations of the Governor General of Canada in Council of the 20th of April, 1918, and the Proclamation of 4th May, 1918, recently published, every male British subject resident in Canada, born on or since the 13th of October, 1897, who has attained or shall attain the age of 19 years and who is unmarried or a widower without children must, (unless he is within one of the classes of persons mentioned in the schedule of Exemptions to the Military Service Act) report as hereinafter directed on or before the 1st day of June, 1918, or within ten days after his 19th birthday, whichever date shall be the latter.

Such report must be in writing and must give his name in full, the date of his birth and his place of residence and also his usual post office address.

The report must be addressed to the Registrar or Deputy Registrar under the Military Service Act of the Registration District in which he resides (see below) and shall be sent by registered mail, for which no Canada postage is required.

U. F. A. SECRETARIES WILL MEET
FOR CONVENTION AT EDMONTON

Two Conventions During Fair Week,
One in Calgary and One in
Edmonton

Arrangements have been completed for the holding of two secretaries' conventions of the U.F.A.—this year, on Tuesday and Wednesday, July 2 and 3, and for northern Alberta, in Edmonton, Tuesday and Wednesday July 9 and 10, during fair week in both cities. These conventions are designed especially for the discussion of the problems which affect local secretaries and their work as the annual convention does not offer much opportunity.

In regard to the Calgary fair par-

ticularly, the convention occurs between the Canadian and United States holidays July 4 and July 4. There is also the likelihood that some special trains will be put on by the railway companies during fair week, which should assist the secretaries to get to the exhibition and get home more expeditiously.

Only One Local Objects
Only one letter has been received expressing opposition to the secretaries' convention. This stand was taken by one of the locals on the ground that it might minimize the importance of the annual convention. The secretaries' convention could not possibly take the place of the annual

convention in any respect whatever; it merely affords the opportunity of local secretaries getting together to discuss their own problems as secretaries and to find out from mutual discussion how to make themselves more efficient secretaries in the service of their local associations. It also gives the central office an opportunity to get the point of view of our local secretary in regard to service which should be rendered by the central office.

Pool Rate of \$5.00
If for any reason the secretary is unable to be present it would be advisable for each local to appoint some other officer to take the secretary's place, in order that the local might receive the benefits of the convention and bring to the convention the point of view of that local. The convention will be strictly for business.

The central office has worked out a plan by which a pool rate of \$5 can be fixed. Each secretary or accredited representative will pay \$5.00 to the transportation fund, no more or no less. In this way the cost of getting the secretaries together is evenly distributed. Also it should ensure a large attendance of delegates, coming from distant points will not be prohibitive. While those coming from the closest points will thus be paying a trifle more than the actual railway fare, they will in return benefit from the attendance of the more distant secretaries as the convention would not be so valuable unless it is fairly representative.

Further particulars will be announced shortly and a credential card for one delegate only will be forwarded to each local.

THINGS THAT CAUSE
FIRES ON THE FARMS

Statistics show conclusively that lightning rods are effective and that the loss on rolled buildings compared with those unrolled is practically nil. You can protect your buildings by the use of properly erected lightning rods. Why not profit by the experience of others and take advantage of a known protection against an ele-

ment, that causes large losses. A great deal of stock is killed along wire fences. Grounding the fences every six or eight rods would stop nearly all of these losses. It would cost very little and may save you many dollars.

Many farmers are purchasing low voltage electric lighting systems. Make sure that the wiring is properly installed, paying particular attention to insulation and conducting through partitions.

ANSWER HUN OFFENSIVE

Washington, May 28.—The American people answered Germany's challenge of the offensive on the western front Monday with an outpouring of more than \$2,000,000 in mercy dollars, swelling the American Red Cross second war fund to \$14,000,000. Reports still were coming in from some districts at midnight and the final total of the drive which ended yesterday will not be known till today.

THE NAVY LEAGUE

OF CANADA.

On June 3 a campaign throughout
Alberta is being undertaken by the
Navy League of Canada in the inter-
ests of the orphans, widows, and de-
pendents of the seaman of the navy
and merchant marine. Every man,
woman and child should be willing to
contribute towards assisting this lea-
gue in carrying out this work. So
far in Alberta, there has not been a
very vigorous campaign for this pur-
pose, and despite the fact that there
are so many different organizations
nowadays calling for aid, the people
should take interest in the part that
the men of the navy have done in the
past as it is to them that we owe the
freedom of the seas at the present
time.

Most people do not realize the great
debt we owe to the sailors, not only
of the navy but the merchant marine,
and also the men on the mine sweep-
ers in the North Sea and other places
—many of these men have given
their lives in our interest, and we must
protect their dependents. The men
of the navy saved the empire. Had
it not been for the brave noblemen
of the sea, Canada would be in the
same position as Belgium, her shores
over-run, her women and children
murdered and many other atrocities
committed. The sailors have been
our protecting shield; they have bot-
tled up and destroyed the enemy's
fleet; kept our ports open; protected
our food supplies, and enabled our
soldiers to cross the Atlantic without
hitch. The farmers of this coun-
try owe a great deal to the sailors;
in fact their grain would be almost
worthless were it not for the men who
man the ships. Every farmer should
be willing to contribute.

The general committee are plan-
ning on making the week commencing
with the King's birthday, June 3,
and ending on Saturday, June 8, with
a general tag day, as Navy Week,
throughout Alberta. We ask you to
assist the good work. Alberta should
easily raise \$150,000.

Spring time is clean up time. Paint
up and make things fresh and clean.

The census of Wainwright should
have been taken on Monday during
the sale of school lands.

It is a fine show case the board of
trade have got on the station plat-
form. So far that is all it is.

The raising of flax is asked for by
the government. Farmers should try
and cooperate if at all possible.

No wonder Love turns cold: look
at the clothes Cupid hasn't got.

A Ford Car Takes the Place of all These Things

WHEN you own a Ford you can do away with many articles that are a source of continuous expense to the man who still drives a horse. For instance, not only your driving-horse and buggy, but the single harness, blankets, whips, currycombs, brushes, horse-shoes, pitch-forks, feed-bins, etc.

In their place you have a speedy, dependable, dignified, roomy Ford Car—complete in itself. It is vastly superior to the narrow, cramped buggy that travels so slowly. And when a Ford is standing idle it does not eat three meals a day, and it requires no "looking after."

A Ford will save you time, trouble, and money. It is the utility car for the busy farmer and his family.

JUNE 22 IS TO BE REGISTRATION DAY

OTTAWA, May 24.—The registration of man and woman power will be taken throughout the Dominion of Canada on Saturday, June 22. This was definitely announced at the office of the Canada registration board on Thursday. The date was finally chosen at a meeting of the board which was held Wednesday afternoon. In the absence of Senator Robertson, chairman of the board, who is now in Winnipeg, G. M. Murray, one of the members is acting as chairman. There was a possibility that registration might have to be fixed for Saturday, June 23, but arrangements are now sufficiently advanced to render postponement of the proposed date unnecessary.

CANVASSERS WANTED

Would you like to make a little money? It always comes in handy these days. It will not take much of your time. If you are a school girl or boy, a few spare hours in the evening will sure bring results. The publishers of the Wainwright Star wish to make their paper one which will serve this entire community. In order to get the desired results we must have a good subscription list. For the next month we are offering a **LIBERAL CASH COMMISSION** for any representative who is willing to work for us. Only **ONE** representative will be authorized in each locality. It may be undertaken by an individual or an organization, such as the Red Cross, U. F. W. A. or any other Society in the district. Write **NOW**. The first application received will be given first choice. Send for further information. Remember we are not offering cheap prizes, but **REAL MONEY**.

Editor Wainwright Star:

I am interested in your **SUBSCRIPTION CAMPAIGN**, and how I can make a few dollars by securing new subscribers.

LITERATURE OF INTEREST FOR THE FARMERS

From time to time the Star office receives from the department of agriculture of Ottawa, pamphlets and papers on nearly every phase of farm work and production. We have a large quantity of this literature on hand that contains some very valuable information. Any one wishing to see them may do so by calling at the Star, when they can look over the list and select any subject that may interest them.

Among some of the titles are:

Management of Geese.
The Care of Market Eggs.
The Feeding of Horses.
Garden-making on Vacant Lots.
The Black Disease of Potatoes.
Cutworm and their control.
The Cabbage Root Maggot and its Control.

The Hessian fly and the Western Wheat Stem Saw-fly.
Construction of Poultry Houses.
Marketing of Poultry.

There are many other titles too numerous to mention. Farmers are welcome to look them over as much valuable information of the highest authority is contained in these government reports.

PUFF PASTRY ILLEGAL

The following productions, in which sugar is the principal ingredient, are now prohibited of manufacture—French or puff pastry; doughnuts or crullers; Scotch shortbread; cakes; macarons or like products, with more than fifty per cent cane sugar; marshmallows with more than 33 1/3 per cent sugar; cakes or biscuits iced or filled with sugar products. A fine of from \$100 to \$1000, or imprisonment up to three months, or both, are the penalties for the infraction of these sugar regulations, fines to be paid to the municipal or provincial authorities which ever may institute the proceedings.

JUDICIAL SALE OF VALUABLE FARM PROPERTY

Pursuant to the order of His Honor Judge Taylor, there will be offered for sale by public auction with the approbation of a Judge of the District court of the District of Edmonton, by J. M. Thom, sheriff or his deputy, at the Town Hall, in the Town of Wainwright, in the Province of Alberta, on Saturday, the 11th day of June, A. D. 1918, at 2.30 o'clock in the afternoon.

The South East quarter of Section thirty-two (32) Township forty-six (46) and Range five (5) West of the Fourth meridian, in the Province of Alberta, containing by admeasurement 160 acres more or less, and subject to the reservations contained in the original grant of the land from the Crown, and in the existing certificate of title, and subject further to a mortgage thereon for \$7000.00, as the same stands at the date of sale; to a mechanics lien thereon for \$20.40 as the same stands at the date of sale; and to all assessments, rates, and taxes outstanding against the said land. The Vendor is informed of the following particulars: Number of acres 160; quality—good farm land; clay loam and subsoil; land rolling; some small brush; amount broken, nil acres; buildings, etc.

Distance from nearest town: 10 miles from Wainwright; distance from school, 3 miles; distance from post office, 5 miles from Gilt Edge. Terms of payment are: Ten per cent of the purchase price to be paid to the Sheriff at the time of sale, fifty per cent of the balance to be paid to the sheriff within sixty days after the sale without interest, and the remaining balance with interest at 8 per cent per annum within five months from date of sale.

In all other particulars, the terms and conditions of sale will be the standing conditions of the Court as approved by the Judge.

Further particulars can be had from H. V. Fieldhouse, barrister, etc., of Wainwright, Alberta.

Dated this 2nd day of May, A. D. 1918.

J. M. THOM, Sheriff.

SYNOPSIS OF CANADIAN NORTH-WEST LAND REGULATIONS.

The sole head of a family, or any male over 18 years, who was at the commencement of the present war, and has since continued to be, a British subject by a subject of allied or neutral country, may homestead a quarter section of available land in the Dominion, Lands Agency or Sub-Agency for District, by or proxy may be made on certain conditions. Duties—six months residence upon and cultivation of land in each of three years.

In certain districts a homesteader may secure an adjoining quarter-section as pre-emption. Price \$200 per acre. Duties—Reside six months in each of three years after securing homestead patent and cultivate 20 acres estate. May obtain pre-emption patent as soon as homestead patent on certain conditions. A settler after obtaining homestead patent, if he cannot make a pre-emption, may take a purchase homestead in general, or a purchase homestead in general, and reside six months in each of three years, and cultivate 20 acres estate. A homestead of 20 acres may cost time of employment as farm laborers in Canada during the war.

When Dominion Lands are advertised or posted for entry, returned soldiers who have been honorably discharged, receive one day priority in applying for entry at local Agency Office (not not Sub-Agency). Discharged soldiers may be granted a 10 per cent discount.

Arrangements are being made to have a Red Cross sale at U. F. W. A. picnic on July 1. Every one will be asked to donate something for sale.

SHARE BRITISH WHEAT

We have shipped much of our precious wheat to the French and Italians and we must face the fact that this has changed conditions so that they conceivably may become acute in the United Kingdom. Unless the people of Canada and the United States speed up their production of 1920 supplies, the allied people may find it very difficult to carry this war on to their conclusion which will mean a permanent peace.

HAS BEEN AWARDED
CROIX DE GUERRE

Word has just been received by his mother, which will be of interest to the many friends of Capt. George M. Turnbull, of the Royal Flying Corps, to the effect that he has recently been awarded the French Croix de Guerre, for bravery in France. The honor was conferred by the King of the Belgians. Capt. Turnbull, who was formerly with the Great West Life Insurance Co., of Edmonton, left for training in the aviation corps in 1915 and has since been actively engaged in England and France. He has taken part in many of the most venturesome raids over the German lines and with the exception of a slight nervous breakdown, which sent him for a rest to England, he has so far had excellent good fortune.

His mother, Mrs. Mark Turnbull, is at present living with her son, at Wainwright. His youngest brother, Walter, has been overseas since the beginning of the war.

Mr. Wheeler is entitled to this, but through its system of distribution The Guide, instead of cornering the wheat for personal profit, is placing it within easy reach of every farmer in Western Canada. To make it easy for anyone to secure Mr. Wheeler's new wheat all of the available supply will be distributed during the summer months. You cannot BUY any of this grain. You can secure as much as you care to earn by aiding us in extending The Guide's field of usefulness.

The Guide has published a Red Bobs Book that tells the secret of Mr. Wheeler's annual success. It also gives the records of this new wheat and tells the interesting story of its discovery and development. This book should be read by every man raising grain in any one of the three western provinces.

Since its organization The Guide has always endeavored to render a practical service—a service that would aid in advancing agriculture more profitably. The Red Bobs Book was published with this end in view.

We will send a copy of this valuable book FREE to any person upon application. The only condition of this book for YOU. It will be mailed without any obligation on your part. Mail the coupon to-day and YOUR copy will be forwarded by return of post.

THE COAL SITUATION

Germany now has control of the best coal fields in Europe. Negotiations are nearly completed for the United States to purchase French coal, which means that Canada will have to depend to a large extent on Western coal.

Last year there was 600,000 tons of Anthracite coal shipped from the States to the head of the Lakes. Indications are now that this supply will be entirely cut off which means that 600,000 tons of soft coal will be shipped East as it takes 1 1/2 tons of soft coal to equal a ton of hard.

This means that at least 3,000 cars of coal must be shipped East this year more than last year. With the car shortage caused by increased acreage in crop there is bound to be a coal shortage next winter, unless every consumer takes immediate steps to avoid it.

We have received a number of letters from the fuel controller asking us to cooperate in every way possible in this matter. We ask all that can possibly do so to order their winter supply of coal NOW.

The railroads that usually stock up in September have contracted with several mines for their entire output for immediate delivery so we can't guarantee quick service.

ORDER YOUR WINTER'S COAL NOW AND YOU WILL SAVE MONEY AND INSURE YOURSELF AGAINST FUEL TROUBLES THIS WINTER.

FRENCH GIVE UP SOISSONS POSITION

Paris, May 20.—After desperate resistance and fighting in the streets, lasting several hours the French have evacuated Soissons, which the Germans occupied, according to the official announcement from the war office Wednesday evening.

Berlin, May 20.—The number of prisoners taken by the Germans on the Aisne front has increased to 25,000 says the German official communication issued today. The prisoners include one French and one English general.

On American Front May 20.—Three counter-attacks made by the Germans to retake the terrain which they had lost in Picardy on Monday completely broke down in the face of the American artillery fire and the heroism of our infantrymen. All the ground won by the Americans on Monday remains in their possession.

Rome, May 20.—At Capo Sile Monday night two hostile attacks were broken up in front of our new positions the official report from headquarters reads today. In the Drezza valley we captured a parcel of thirty trees. Other prisoners were taken in the Col Capelle area. Enemy detachments were repulsed at Mont Como and Mont Anzalone, the report adds.

VACANT LANDS NOW IDLE MAY BE PRODUCING

Prospective Settlers by Consulting List May Secure Good Locations

Alberta lands that might be producing, but are now lying dormant, have been listed by the department of the interior at Ottawa, with a view to facilitating settlement. The names and addresses of the owners of the quarter sections in the provinces that are now uncultivated and under crop have been tabulated and prospective settlers who are looking for land will be able to get in touch with possible locators in the districts of their choice. Lists of these lands and names will be prepared by the department and distributed through the land district offices. Manitoba and Saskatchewan have already been covered in this way and the lists for Alberta, according to a report from Ottawa will be available shortly.

It is assumed that the owners of these lands will be interested in offers from prospective buyers or will at least be open to consider leasing out their holdings, and the government authorities have therefore undertaken to act in an intermediary capacity as a means of bringing would be settlers and land owners together. The land office figures show that available crown lands in close proximity to railways are rapidly becoming exhausted, and the shortage is being accentuated by the reservations in Alberta and other provinces for soldier settlement. Such lands as are still to be had are now being card-indexed and applicants for information about them will get the lists of names and addresses from the natural resources intelligence branch of the department of the interior at Ottawa.

MINISTERS DECIDE ON

UNIFORM SCHOOL BOOKS

The four western provinces will have uniform text books in spelling, composition, British history, civics, music, hygiene and geometry. This was the unanimous agreement reached by the conference of ministers of education for the provinces in session at Calgary. Uniform text books will be adopted in all high school subjects with the exception of English grammar, arithmetic, chemistry, general history and geography, which have been held over awaiting the selection of text and the details of the cost. The public school readers, copy and drawing books, arithmetic, geography, grammar and Canadian history, text books will be left over until another meeting, as the contracts for some of these books have not expired.

Some endeavor will be made to give uniformity to the status of the teaching profession and also to improve the standards. With a view towards this, it was agreed that the admission to a course of training for a second class certificate should be grade 11 certificate or standing recognized as equivalent by any of the provinces.

EDGEMONT LOCAL NEWS

Councillor Warren Wilson was at Wainwright attending the school land sale.

W. W. Edmunds of the Cecil hotel is still in the East. We are glad to hear he is steadily improving in health and expects to return shortly.

Mr. Alfred Lawrence, our popular real estate agent has been appointed stock inspector for Edgmont and district. The appointment was well chosen.

Thomas Dancy shipped a carload of cattle to Edgmont on Wednesday.

Farms have been changing hands very rapidly these days. The following is only a partial list: Mr. Tamin sold the southwest quarter of section 14, township 46, range 2 to Mr. Deacon and has purchased the southeast quarter in the same location. Sam Marks has purchased the south west quarter of section 30-44-3 from T. H. Bakut.

Mr. Glendinning of Edgmont and well known traveller for Wood-Valance, wholesale hardware, of Winnipeg, has joined the firm of George Morrow. The firm name is now Morrow and company.

The Star intends to devote in the future all the space necessary to properly make known the advantages of the Edgmont district and all the news obtainable will be published. We extend an invitation to one and all to help in the good work and send news items to this office or to Mr. Boyd, who will forward same to us. Mr. Boyd has been appointed as our representative in that district and he will be pleased to help in any way.

SLIGHT DECREASE IN SHOWN IN COST OF FAMILY BUDGET

Average Expense for Five People Per Week in Month of April is \$12.57

Ottawa, May 26.—A slight decrease in the average cost of a budget of staple foods for a family of five is noted for the month of April, as compared with March in the monthly report of the department of labor. The report states that the middle of the month, the average cost of such a budget in nearly sixty cities was \$12.57, as compared with \$12.66 in the preceding month; \$10.77 in April, 1917 and \$7.51 in April 1916. The index number of wholesale prices was practically unchanged for April as compared with the previous month. In prices, decreases in grains, dairy products, fruits and vegetables, metals and implements, drugs and chemicals were offset by increases in animals and meats, in building materials and by slight increases in nearly all the other groups.

In retail food prices, eggs and potatoes show considerable decreases, although meats and several other articles were slightly higher.

BRITISH TRANSPORT SUNK 19 MEN DROWNED

London, May 29.—The transport Leasowe Castle has been sunk by an enemy submarine, the British admiralty announced. One hundred and one persons were drowned. The Leasowe Castle, which was 9,237 tons gross was sunk in the Mediterranean, on May 26. Among those who lost their lives were thirteen military officers and 20 soldiers of other ranks.

DESERTERS ARE SENT TO PEN FOR TWO YEARS

Winnipeg May 29.—Patrick Tourant, Joseph Joseph, Fred Carpenter, and David Botag deserted from the Canadian army at Camp Hughes, Manitoba, in September 1917. They were apprehended together recently at a camp in Minnesota and today were given two years each in the penitentiary.

TAKES MAIL FROM PARIS TO LONDON

Paris, May 28.—Aviators De Vienne and Lorzang flew from Paris to London and back in a hydro-airplane yesterday in three hours and ten minutes, carrying mail. It was the first trip in connection with the airmail postal service between England and France which is being organized.
